subject to any applicable federal, state, or local laws, except that curbside delivery and sale of alcohol shall be prohibited after 10:00 p.m. CDT. Consumption of alcohol on premises at any time shall be prohibited.

- The second paragraph of Section 4 of Amended and Restated Order 7 from the Chief Medical Director is amended by deleting the following condition for individuals, entities or organizations whose primary business is food service (any food service establishment as defined in T.C.A. § 68-14-703(9)):
  - o Services for the preparation of food or beverages, receiving call-in orders, providing take-out, window, drive-through or curbside service, and off-premises delivery and sale of prepared food or beverage, including alcohol, remain open.

and replacing it with the following:

  - o All customers shall be off premises and the premise closed to the public at 10:00 p.m. CDT.
- Section 5 of Amended and Restated Order 7 from the Chief Medical Director is revised to provide that bars that hold an on-premise beer permit but do not hold a license issued by the Tennessee ABC shall close until 11:59 p.m. CDT on July 31, 2020, but may continue to provide curbside or off-premise delivery and sale of beverages subject to any applicable federal, state, or local laws, except that curbside delivery and sale of alcohol shall be prohibited after 10:00 p.m. CDT.
